REFERENCE(S)
EGNA-1824, 7 October 1960

Should be EGGA

The undersigned will no doubt come into contact with Subject in connection with his activities against the SPD target and would be glad to handle the case, if this asset can best be developed within the framework of our more or less overt status. On the other hand, if there is a real possibility that Subject is amenable to being handled as a clandestine case, we believe that an FOB case officer should take it over. Your advice concerning this point will be appreciated.
